Dear Mrs. Manley,

James and I are well and we arrived home safely. I hope you are feeling fine. I really enjoyed myself while being up there and I appreciate everything you did for me toward making my stay comfortable. I hope I'll get a chance to come up there next summer.

The scenery coming down was very beautiful. We spent Tuesday night in Richmond, Va. and Wednesday night we were in Jacksonville, Florida. We came through Hawthorne, Florida to see Christopher's mother. We didn't get home until Thursday night because the car broke down between Hawthorne and Lakeland. We got home, however, alright.

Mrs. Manley, James ask me to tell you that it will be six or seven weeks before he can get any security. One reason is, that he'll have to wait this year until the same time he signed up last

year. And last year he didnt start to sign until the
last of October, and no good jobs are opened until
December. He also asked me to tell you that he isnt
going to Cuba to play ball. Looking for an answer
soon.

Respectfully Yours
Mary E. Hill
